# Dear Residents of Clinton Township

Your Parks and Recreation Department is hoping to offer a great deal for families in Clinton Township this fall. But, the budget reductions and the pending police millage ballot proposal have made it increasingly difficult to ensure that all of our recreation offerings will be continued. Please check with our Parks and Recreation Department to confirm that our school year programs will be available.

As always, we are looking to secure sponsors for all of our community events (Christmas Aglow, Easter Egg Hunt, Summer Concerts, etc). If you can help, please contact us at: 286-9336 or e-mail to: [recreation@clintontownship-mi.gov](mailto:recreation@clintontownship-mi.gov). With your support, we know we can sustain our family services during these difficult economic times.

We are constantly striving to bring you the recreation programs and services you deserve. We are proud to work for the best community in Michigan - your home and ours - Clinton Township!

Sincerely,

Clinton Township Board of Trustees

# Employee Spotlight

Not all members of the Clinton Township Parks and Recreation team are paid staff. We have a small army of volunteers that assist with bringing quality programs and services to the Clinton Township Community.

Our Parks and Recreation Committee is a very special part of that volunteer effort. The Clinton Township Parks and Recreation Committee is made up of genuinely dedicated community members who lend support and guidance to the mission of CTPR.

Those members include:

Mary Ann Hosey is an accomplished administrator with a legacy of community service and commitment. She has been with Clinton Township for 17 years, currently serving as the Administrative Aide. Her daughter Jennifer Leone worked with CTPR for 4 years and is now an accomplished young educator. As part of her job, Mary Ann has been involved with the P & R Committee for every one of her 17 years with the township. This past year she was appointed as a voting member. Her expertise and dedication to the families of Clinton Township is endless. Mary Ann feels strongly that Parks and Recreation should be an integral part of every community. She says, "The programs we offer in Clinton Township are fantastic. The staff is truly committed and it shows. We are fortunate to have such an exemplary program."

Richard Ireland is a teen member of our group, representing Clintondale Community Schools. Rick is leaving us upon graduation after having accomplished many things in his hometown. In addition to his service on our committee, Mr. Ireland played sports, was in band, clubs, etc. He was recently named co-valedictorian at Clintondale High School and our entire committee wishes him well as he heads off to the University of Michigan on a full academic scholarship.

Jennifer Marella has spent a lifetime in Clinton Township. Not only did she grow up here, she has chosen to "give back" to her hometown by teaching here as well. Ms. Marella is a dedicated teacher at our own Parker Elementary School. She loves to hear from her students who participate in Parks and Recreation activities. Jennifer says "I know that the children at Parks and Recreation in the summer program have a great time!" Jennifer is extremely active and has made it a goal to learn to "really" swim this summer. She will be participating in our Adult Learn to Swim classes and is looking forward to a new challenge. We appreciate the commitment of knowledgeable citizens like Jennifer. She brings a great enthusiasm for recreation and family services to our committee.

Ken Pearl has been a resident of the Township for the past 16 years. His family has been involved in several programs over the years. He is happy to serve on this committee because he feels that Parks and Recreation is an integral part of our community. As a representative for the Chippewa Valley School district he is happy to promote a closer relationship with the township and the schools. A good working relationship reduces duplication and maximizes services.

Rob Pearl has served as one of our teen leaders, representing the Chippewa Valley School district. He is a dedicated student-athlete who plays varsity Football for the Big Reds and got his start in the Clinton Township Flag Football program. He believes in giving back to the community and has committed himself to several community service projects, including his work with our committee.

Dean Reynolds is the chair of the Parks and Recreation Committee. The Parks and Recreation Committee was one of the committees he requested to be appointed to upon his election to Clinton Township Trustee in 2004. He has been a committed and diligent team member ever since. Dean has been a Clinton Township resident for 19 years and prides himself on coming up with innovative approaches to keep costs down and still provide the extras. Dean relates. Due to the reductions in state revenue sharing, Parks and Recreation received some hefty cutbacks. This resulted in serious reduced or eliminated services to our families. My family and I enjoy attending P & R programs. They provide an opportunity for relaxation, fellowship and fun – all close to home."

He likes the fact that CTPR services every age from our youngest residents to our most "well seasoned"; Dean felt it was crucial that he become an active advocate to help sustain and grow the Parks and Recreation services because "these programs unite us as one Clinton Township family." As Dean says, "losing these programs would be like losing the heart of Clinton Township."

Dean has done plenty of research and pursued many forms of alternate funding – securing countless sponsorships and donations all with the goal of re-instating lost programs and insuring that there are Parks and Recreation services in Clinton Township.

George Sassin represents the Clintondale Community School district and has been a resident of Clinton Township for the past 19 years. George reflects, "I was born and raised in East Detroit where I had the privilege of being part of a terrific upbringing. We lived in a great neighborhood and I still keep in touch with my childhood friends today. When my family moved to Clinton Township I felt that same sense of community at once." George's wife Rosanne and children: Dana, Jackie and Paul enjoyed numerous Parks and Recreation programs and services. George Sassin is a tireless advocate for the children of Clinton Township in his neighborhood, with the Parks and Recreation Committee and in his role as Superintendent for Clintondale Community Schools.

Mr. Sassin has been an invaluable source of experience and inspiration due to his many years as a Special Education teacher and Principal in our community. William Sherman is the longest serving citizen on the committee. He has been a member for the past 12 years. Bill has lived in Clinton Township for 37 years. He especially enjoys visiting the Dog Park with his "best friend" Bailey. As a former, recreation professional who helped found the 49 year old Youth Fitness Program, Bill loves to attend our local meet. He is also an avid fan of lifelong sports and feels our tennis program does a great job. Bill states, "Our department provides a wide variety of programs for the entire family- fitness, sports, entertainment, etc. The only shortcoming is the lack of connectedness with Parks and Recreation and the Senior Services."

Jenifer "Joie" West wears a couple of hats in the community. She is a Trustee for Clinton Township and the Government Relations and Physician Relations Specialist at St. Joseph's Healthcare. Ms. West is also the Executive Director and Founder of the Healthier Macomb Fitness Council. In 2001, she was asked to be a consumer Advocate for Leukemia with the National Cancer Institute in Washington D.C.. Before joining St. Joe's, Joie spent 17 years with Mt. Clemens General Hospital in a variety of positions. She spent her early days in Kalamazoo, Michigan and Kansas City, Missouri.

Joie was born and raised in East Lansing, Michigan. She received her degrees, a Bachelor of Science in Medical Technology and her Master of Science in Anatomy from Michigan State University. Joie's minor was Exercise Physiology, with specialty areas being cardiology, cardiac rehabilitation and health promotion. In 1999, she also completed a Creating Healthier Communities Fellowship with the Health Forum and American Hospital Association and has been very active in Healthier Communities work for the past 7 years. Joie also completed the Leadership Macomb program, which really prompted her to run for the Trustee position in 2004. She feels that the only way that we will make sustainable health changes within the community will be through policy changes in government.

Joie is married to Marty and they have two children, Nick and Sandy. She also has a dog, Mojo and a cat Austin. In her spare time, Joie loves spending time with her husband Marty, doing things such as camping, hiking, kayaking, canoeing, snow skiing, walking the dog - anything outdoors.

There are also several staff members who work with this committee: From DPW: Rich Philippi, Mike Scott, Brian Girard and George Westerman. From Parks and Recreation: Frank Pizzo and Linda Walter.

# GeoCaching

What is GEOCACHING?

Pronounced "Geo-cashing"

Geocaching is a family oriented activity that combines the use of technology with the thrill of "treasure hunting"! Geocaches are small containers of trinkets and a log book that individuals search for and they are hidden by players all over the world.

Clinton Township Parks and Recreation is excited to announce we have hidden our 2nd cache! You and your family or friends will have the chance to be highlighted in our next Brochure! A FTF (first to find) prize will include a team photo in our next publication, along with some other goodies! We do have small "tokens" of appreciation for anyone finding our cache!

If you are new to this exciting activity go to [Geocaching.com](http://Geocaching.com) and get familiar with this thrilling sport.

RELEASE DATE: Sept. 15th! • GO TO: [WWW.GEOCACHING.COM](http://WWW.GEOCACHING.COM)  
Search by zip code 48038 and look for "Fall Brochure"

## HOW DO I GET STARTED?

If you are itching to get out there and try to find a cache before our release date, here's a quick start guide to get you going.

1. Buy or borrow a GPS unit. You could also try finding an experienced cacher to go on your first outing.
2. Go to [www.geocaching.com](http://www.geocaching.com) and click the "hide and seek a cache" link.
3. Type in your zip code and hit search. A list will be generated.
4. Find one that looks interesting. Each cache is rated for difficulty and terrain, try a 1 for your first!
5. Click on the link to open the page. At the top will be the coordinates for the cache.
6. Read the information on the page. You will want to print a copy of the cache page and take it with you.
7. Dress for the adventure you have chosen and its always smart to be prepared with a first aid kit!
8. Now, you're ready to set out! Read the user manual for the GPS unit you've chosen and learn how to input the coordinates for the cache you're going to seek. Then use the GPS "goto" feature to set the GPS into the seek mode.
9. Using the seek mode, you should be able to make your way to the cache. When the distance to the cache is less than 30 feet, begin to look around for the hiding spot. (Remember, accuracy on a GPS unit is only 10-20 feet)
10. You may think this may be easy, but it can be very challenging. While looking, be thorough. Caches can not be buried. You do not need to dig or break branches to find it.
11. Once you find the cache, enter your name in the logbook, trade a trinket if you wish and re-hide it exactly as you found it.
12. If you choose, create an account on [geocaching.com](http://geocaching.com) and log your find online.

## THE AMERICANS WITH DISABILITIES ACT

The Americans with Disabilities Act went into effect on January 26, 1992. To this nation's more than 43 million citizens with disabilities, the ADA represents an unprecedented opportunity to eliminate the barriers to independence and productivity.

The purpose of the ADA is to extend to people with disabilities civil rights similar to those now available on the

basis of race, color, sex, national origin and religion through the civil rights act of 1964. It prohibits discrimination on the basis of disability in the private sector and in state and local private entities. It also includes provisions for telecommunications relay services.

The Charter Township of Clinton honors the ADA and will work diligently to make the necessary accommodations for

individuals who need them. Please use the appropriate area on the registration form to make us aware of your situation and needs prior to your participation in a Clinton Township Parks and Recreation program.

COPIES OF THE ADA ARE AVAILABLE FROM YOUR SENATORS AND REPRESENTATIVES AND CAN BE FOUND IN YOUR LOCAL LIBRARY.

## Family Testimonial

### Meet the Miller Family. . .

Gerry and Merri Miller have lived in Clinton Township for the past 18 years. They are the proud parents of three beautiful girls: Hillary – age 13, Hannah – age 12 and Olivia – age 11. As young parents, the Millers were looking for family programs that were close to home and reasonably

priced. Clinton Township Parks and Recreation events fit the bill.

The holiday events are particular family favorites beginning with the Fall Family Festival, Christmas Aglow, Lunch with Santa, Polar Express and then the Easter Egg Hunt. Many family photos and memories have come from time spent at these programs. Summer Day Camp has become a favorite of all three girls who race to the site each summer to participate in a variety of activities led by positive role models. The Miller girls love both the local and regional Youth Fitness Meets. Mom, Merri, loves that the girls have a great place to play, in the neighborhood, that encourages productive activities.

Being a Real Estate Broker, Merri Miller is a frequent cheerleader for the Clinton Township Community. She says that CTPR has exceeded her expectations by the wide variety of programs offered, "One look at the index of the brochure will show that there is something for everyone. Many surrounding communities do not offer the quality events that Clinton Township does."

Clinton Township Parks and Recreation staff love the enthusiasm of the entire Miller family. We look forward to many more holidays together. As all the Miller girls become Teen Volunteers and, hopefully one day, staff, they will be the role models for the next generation of Clinton Township children!
